

# Explore the AMS Bookstore!

## Search better

Use our improved search feature and browse with ease! Better locate the subject, title, or author that you are searching for.

## More easily view a title's table of contents and read reviews

Decide if a book is right for yourself or for your class by more easily viewing the table of contents and reading opinions on our award-winning books.

## Share your AMS Bookstore favorites with friends

Share icons are now located on each book's title page.

## Bundle and save!

Purchase a print and eBook bundle and save 50% off the eBook.
