## Aspiring and Inspiring

Tenure and  
Leadership in  
Academic Mathematics

*Aspiring and Inspiring* is a collection of essays from successful women and gender minority mathematicians on what it takes to build a career in mathematics. The individual essays are intended to advise, encourage, and inspire mathematicians throughout different stages of their careers. The need for systemic cultural change is vividly, at times painfully, evident in these stories.

## ASPIRING AND INSPIRING

TENURE AND LEADERSHIP IN ACADEMIC MATHEMATICS
