

Pursue your mathematics research

AMS *Claytor-Gilmer* with support from the  
*Gilmer* FELLOWSHIP

This  
**\$50,000** fellowship carries an award that may be used flexibly in order to best support your research.

The most likely awardee will be a midcareer Black mathematician at a US institution whose achievements demonstrate significant potential for further contributions to mathematics.

Application period:  
**July 15 – September 30, 2024**
