AMS Undergraduate Student

TRAVEL GRANTS

Apply for support for undergraduate student travel to the Joint Mathematics Meetings

Available for students presenting in the:
- Pi Mu Epsilon Undergraduate Poster Sessions
- AMS-SIAM Special Sessions on Research in Mathematics by Undergraduates and Students in Post-Baccalaureate Programs
- Other Special or Contributed Sessions

At the Joint Mathematics Meetings, you can:
- Learn new areas of mathematics
- Network with other students and mathematicians
- Explore job opportunities
- Consider your next steps at the Graduate School Fair

Submission deadlines and eligibility info at: www.ams.org/undergrad-tg
