

**ERRATUM TO "CLASSIFICATION OF
ONE-DIMENSIONAL HYPERGROUPS"**

Volume 103, Number 4, 1988 pp. 1073–1081

ALAN L. SCHWARTZ

(Communicated by J. Marshall Ash)

The definition of *differentiable hypergroup* should be modified as follows: replace $C_c(H)$ by $C_c(H^0)$, the continuous functions on H with compact support in the interior of H .

Received by the editors January 5, 1989.
