

**ERRATA TO “LINEAR SPACES WITH AN H^* -ALGEBRA-VALUED
INNER PRODUCT”**

BY

PARFENY P. SAWOROTNOW

I. Page 546: The first line in the statement of Theorem 2 should read as follows:

THEOREM 2. *For each continuous H -valued stationary process, . . .*

II. Page 547: Line 14 from the bottom (item (5) in Theorem 3): $(fa^*a, f) \geq 0$
(instead of $(fa^*, f) \geq 0$).
