

## NOTES

### New Journal

*The Journal of Mathematical Sciences* is published by The Society of Mathematical Sciences, Delhi, India.

Volume 1, Number 1 is dated January, 1966, is 51 pages long, and has the following Contents:

1. J. W. S. Cassels—"On a problem of Schinzel and Zassenhaus."
2. F. C. Auluck and H. S. Ahluwalia—"On partitions into non-integral numbers and the nearest-neighbour spacing distribution function."
3. K. Mahler—"A remark on recursive sequences."
4. H. C. Gupta—"Random walk in the presence of a multiple-function barrier."
5. Alfred Rényi—"On the amount of information in a random variable concerning an event."
6. R. S. Varma—"Generalizations of Rényi's entropy of order  $\alpha$ ."
7. L. P. Belluce and S. K. Jain—"A remark on primitive rings and  $J$ -pivotal monomials."

The second and sixth papers here contain substantial tables produced by computers.

Papers submitted should be in English and should be addressed to:

The Chief Editor, Journal of Mathematical Sciences  
Faculty of Mathematics  
The University, Delhi-7, India

### List of Errata

This is to announce that the National Bureau of Standards has recently published a List of Errata to Accompany the First, Second and Third Printings of NBS Applied Mathematics Series 55, *Handbook of Mathematical Functions with Formulas, Graphs and Mathematical Tables*, edited by Milton Abramowitz and Irene A. Stegun.\* Copies of this list of errata may be obtained on request to: Office of Technical Information and Publications, National Bureau of Standards, Washington, D. C. 20234.

---

\* For a review of this item, See *Math. Comp.*, v. 19, 1965, pp. 147-149.

#### STATEMENT OF OWNERSHIP, MANAGEMENT, AND CIRCULATION

(Act of October 23, 1962; Section 4369, Title 39, United States Code)

1. Date of filing: September 23, 1966
2. Title of Publication: Mathematics of Computation
3. Frequency of issue: Four issues per year
4. Location of known office of publication: P. O. Box 6248, Providence, R. I. 02904
5. Location of the headquarters or general business offices of the publishers: P. O. Box 6248, Providence, R. I. 02904
6. Names and addresses of publisher, editor, and managing editor: Publisher: American Mathematical Society, P. O. Box 6248, Providence, R. I. 02904; Editor: Eugene Isaacson, Chairman of Editorial Committee, P. O. Box 6248, Providence, R. I. 02904; Managing Editor: None
7. Owner: None
8. Known bondholders, mortgagees, and other security holders owning or holding 1 per cent or more of total amount of bonds, mortgages, or other securities: None

9. Paragraphs 7 and 8 include, in cases here the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting, also the statements in the two paragraphs show the affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner. Names and addresses of individuals who are stockholders of a corporation which itself is a stockholder or holder of bonds, mortgages or other securities of the publishing corporation have been included in paragraphs 7 and 8 when the interests of such individuals are equivalent to 1 per cent or more of the total amount of the stock or securities of the publishing corporation.

I certify that the statements made by me above are correct and complete.—Gordon L. Walker
