TABLE ERRATA

506.—A. FLETCHER, J. C. P. MILLER, L. ROSENHEAD & L. J. COMRIE, *An Index of Mathematical Tables*, 2nd ed. Addison-Wesley Publishing Co., Inc., Reading, Mass., 1962.

On page 140 of Volume I, the approximate decimal values given for $\sin \log_e \pi$ and $\cos \log_e \pi$ in the heading of Article 5.55 should be interchanged.

Five typographical errors in these tables were identified in a review appearing in this journal [1]. A complete recalculation of the tables to 40S on a CDC 6400 system has now revealed a total of five additional errors.

For convenient reference all necessary corrections in these tables are listed herewith.
