

ACKNOWLEDGEMENT

It has been pointed out to me that the result of my article “An equation of Mordell,” *Math. Comp.*, v. 29, 1975, pp. 925–928, has in fact been given previously by Ljunggren, *J. London Math. Soc.*, v. 3, 1971, pp. 385–391.

My apologies to him for an insufficient literature search!
