Fargo, North Dakota 58108-6050

This searchable database includes over 137,000 records of mathematicians from more than 100 countries, that date back as far as 1363. Entries include the degree recipient, university, name of advisor (linked to a list of his/her other students), dissertation title, year in which the degree was awarded, list of the degree recipient's students (if any), and the MSC code of the thesis.

Submit additions and corrections on the website at
www.genealogy.ams.org

The Mathematics Genealogy Project is a service of North Dakota State University and the American Mathematical Society.

➔ See a demonstration of the website and submit information at the AMS booth during the Joint Mathematics Meetings.
