## ASSISTANT PROFESSOR

---

---

### Department of Mathematics

The Department of Mathematics invites applications for a tenure-track position at the Assistant Professor level in the general area of Modern Analysis, with the appointment to begin on August 16, 2010. We are particularly interested in multivariate operator theory and analysis on function spaces however, we are also interested in other major areas of modern analysis. Candidates must possess a doctoral degree in mathematics or a closely related field by August 16, 2010. Experience in teaching and research is expected.

Applicants should apply online at <https://facultyjobs.ua.edu>; attach a curriculum vita along with a letter of application and arrange for three letters of recommendation to be sent to: Chair of the Search Committee, Department of Mathematics, The University of Alabama, Tuscaloosa, AL 35487-0350. Applications will be reviewed on an ongoing basis and will continue to be accepted until the position is filled. For more information about the department and the university visit our website at <http://math.ua.edu>

The University of Alabama is an Affirmative Action/Equal Opportunity Employer. Applications from women and minorities are encouraged.
