Assistant Professor of Quantitative Finance

The Department of Mathematics at ETH Zurich (www.math.ethz.ch) invites applications for an assistant professorship in Quantitative Finance. Duties of this position include an active participation in teaching students of mathematics, natural sciences, and engineering. The candidate is expected to engage in excellent innovative mathematical research related to mathematical finance and insurance, for example computational and/or statistical and/or probabilistic aspects of quantitative finance, insurance and risk management.

Candidates should have a Ph.D. or equivalent and have demonstrated the ability to carry out independent research work. Willingness to teach at all university levels, to collaborate with colleagues as well as representatives from industry are expected. The new professor will be expected to teach undergraduate level courses (German or English) and graduate level courses (English).

Assistant professorships have been established to promote the careers of younger scientists. The initial appointment is for four years with the possibility of renewal for an additional two-year period.

Please submit your application together with a curriculum vitae and a list of publications **to the President of ETH Zurich, Prof. Dr. Ralph Eichler, ETH Zurich, Raemistrasse 101, 8092 Zurich, Switzerland** (or via e-mail to faculty-recruiting@sl.ethz.ch), **no later than February 28, 2010**. With a view toward increasing the number of female professors, ETH Zurich specifically encourages qualified female candidates to apply.
