ERRATUM TO "ON INFINITELY DIVISIBLE LAWS IN $C[0, 1]$ "

ALOISIO PESSOA DE ARAUJO

Equation (1) on line 18, p. 179 should read:

$$\begin{aligned} h(\mu, x) &= \exp\{i\langle\mu, x\rangle\} - 1 - i\langle\mu, x\rangle \quad \text{if } \|x\| \leq 1 \\ &= \exp\{i\langle\mu, x\rangle\} - 1 \quad \text{if } \|x\| > 1 \end{aligned}$$

instead of

$$h(\mu, x) = \exp\{i\langle\mu, x\rangle - 1 - i\langle\mu, x\rangle[1 + \langle\mu, x\rangle^2]^{-1}\}.$$
