Appendix V

Other Full-Time Faculty Survey

Institution name:_________________________________________

Department name:_______________________________________

City/State/Zipcode:_______________________________________

Date:___________________________________________________

Name of person completing form:___________________________

Title:___________________________________________________

Email:__________________________________________________

Phone:__________________________________________________

Please complete this form by June 1, 2016, keeping a copy for your records, and return it to the above address.

The purpose of this brief questionnaire is to obtain detailed information about the early career arcs of individuals with PhDs in mathematical sciences. The results of this survey will be reported in the next 2015 CBMS Statistical Abstract of Undergraduate Programs in the Mathematical Sciences in the United States.

1. Indicate the number of individuals in your department in 2014–15 who were postdoctoral faculty (those in a temporary position primarily intended to provide an opportunity to extend graduate training or to further research experience) ______ [1.a]; of those how many are not classifiable as postdoctoral research faculty in your department in 2015–16 ______ [1.b] (include postdocs who remain in your department in a different appointment).

   Of those reported in [1.b], give the number whose employment status in 2015–16 (at your institution or elsewhere) is
   ______ [1.c] A tenure-track appointment
   ______ [1.d] Another postdoctoral research appointment
   ______ [1.e] A renewable appointment
   ______ [1.f] A non-renewable appointment
   ______ [1.g] A non-academic appointment
   ______ [1.h] Unemployed
   ______ [1.i] Unknown

continued on next page
2. Indicate the number of faculty in your department during 2014–15 not counted in [1.a] who were in renewable non-tenure-track positions (e.g. lecturer, teaching professional, professor of the practice) _______ [2.a]; of these how many are not in your department in 2015–16 _______ [2.b].

**Indicate the number of faculty** in your department in 2015–16 in renewable non-tenure-track, non-postdoc positions _______ [2.c]

Of those reported in [2.c], indicate the number who are typically engaged in each of the following activities (note that the sum of the values entered here may be larger than that in [2.c]):

- [2.d] Teaching
- [2.e] Research
- [2.f] Attend research conferences with financial support
- [2.g] Attend teaching conferences with financial support
- [2.h] Serve on department committees
- [2.i] Advise undergraduate research projects
- [2.j] Serve as academic advisor to undergraduates or graduate students
- [2.k] Serve on university/college committees
- [2.l] Serve as department course coordinators

3. Indicate the number of faculty in your department during 2014–15 not counted in [1.a] who were in fixed-term (not renewable) non-tenure-track positions _______ [3.a]; of these how many are not in your department in 2015–16 _______ [3.b].

**Indicate the number of faculty** in your department in 2015–16 in fixed-term (not renewable) non-tenure-track, non-postdoc positions _______ [3.c]

Of those reported in [3.c], indicate the number who are typically engaged in each of the following activities (note that the sum of the values entered here may be larger than that in [3.c]):

- [3.d] Teaching
- [3.e] Research
- [3.f] Attend research conferences with financial support
- [3.g] Attend teaching conferences with financial support
- [3.h] Serve on department committees
- [3.i] Advise undergraduate research projects
- [3.j] Serve as academic advisor to undergraduates or graduate students
- [3.k] Serve on university/college committees
- [3.l] Serve as department course coordinators
