The American Mathematical Society (AMS) is committed to the interests of mathematical scholarship and research of which mutual trust and ethical behavior is of the utmost importance. As such, the AMS takes professional misconduct very seriously. Therefore, the AMS Prize Oversight Committee has approved adding a nominator acknowledgment statement for all AMS prizes and awards that involve nominations or applications. We ask that all applicants for the AMS Congressional Fellowship complete this form and acknowledge that they have or have not been the subject of a finding of professional misconduct or are under investigation for same.

Please complete the form and upload it along with your letter of interest in the AMS Congressional Fellowship and your curriculum vitae. The awarding of this fellowship is contingent upon your completion of this form.

AMS Congressional Fellowship Applicants:

I have not been the subject of a finding of professional misconduct, nor am I currently under investigation for professional misconduct.

Please check here if you cannot agree to this statement, you will be contacted for a confidential discussion.
