

Editorial Position

Editor

Notices of the American Mathematical Society

Applications and nominations are invited for the position of Editor of the *Notices of the American Mathematical Society*, to commence with the January 2004 issue. The Society seeks an individual with strong mathematical research experience, broad mathematical interests, and a commitment to communicating mathematics in a wide range of levels to a diverse audience. The applicant must demonstrate excellent written communication skills.

The Editor has editorial responsibility for a major portion of the *Notices* within broad guidelines. The goal of the *Notices* is to serve all mathematicians by providing a lively and informative magazine containing exposition about mathematics and its history, news about contemporary mathematics and mathematicians, and information about the profession and the Society.

The Editor is assisted by a board of Associate Editors, nominated by the Editor, who help to fashion the contents of the *Notices* and solicit material for publication. AMS staff in Providence carry out production support, as well as some staff writing. The Editor will operate from his or her home institution with part-time secretarial support. In order to begin working on the January 2004 issue, some editorial work would begin early in 2003.

Nominations and applications (including curriculum vitae; bibliography; and name, address, and phone number of at least two references) should be sent by August 15, 2002, to:
