A. Swishchuk
A. Volodin
O. K. Zakusylo

SUBMISSION INFORMATION. All submissions to the journal should be sent to `journal.tims@gmail.com`. For more information see `http://probability.univ.kiev.ua/tims/`.

SUBSCRIPTION INFORMATION. The 2022 subscription is for Numbers 106 and 107.

Note: Starting with Issue 102, the *Theory of Probability and Mathematical Statistics* is published jointly by Taras Shevchenko National University of Kyiv and the American Mathematical Society as the original English-language journal.

Subscription prices for 2022 are as follows:

Paper format with free electronic access: List: US$1060.00; **Electronic only**: List: US$1007.00. Upon request, subscribers to paper delivery of this journal are also entitled to receive electronic delivery. Subscription renewals are subject to late fees. See `www.ams.org/journal-faq` for more journal subscription information.

BACK NUMBER INFORMATION. For back issues see `www.ams.org/backvols`.

Subscriptions and orders should be addressed to American Mathematical Society, P.O. Box 845904, Boston, MA 02284-5904, USA. *All orders must be accompanied by payment.* Other correspondence should be addressed to 201 Charles Street, Providence, RI 02904-2213, USA.

COPYING AND REPRINTING. Individual readers of this publication, and nonprofit libraries acting for them, are permitted to make fair use of the material, such as to copy an article for use in teaching or research. Permission is granted to quote brief passages from this publication in reviews, provided the customary acknowledgment of the source is given.

Republication, systematic copying, or multiple reproduction of any material in this publication is permitted only under license from the American Mathematical Society. Requests for permission to reuse portions of AMS publication content are handled by the Copyright Clearance Center. For more information, please visit `www.ams.org/publications/pubpermissions`.

Excluded from these provisions is material in articles for which the author holds copyright. In such cases, requests for permission to use or reprint should be addressed directly to the author(s). (Copyright ownership is indicated in the notice in the lower right-hand corner of the first page of each article.)

Theory of Probability and Mathematical Statistics (ISSN 0094-9000) is published by Taras Shevchenko National University of Kyiv, Ukraine, and the American Mathematical Society, 201 Charles Street, Providence, RI 02904-2213, USA and is mailed from Providence, Rhode Island. Postmaster: Send address changes to Theory of Probability and Mathematical Statistics, American Mathematical Society, 201 Charles Street, Providence, RI 02904-2213, USA.

CONTENTS

A. Malyarenko, Yu. Mishura, A. Olenko, and M. Ostoja-Starzewski, Editorial 1
A. Ayache and F. Bouly, On local path behavior of Surgailis multifractional processes 3
N. H. Bingham and Tasmin L. Symons, Gaussian random fields: with and without covariances 27
V. Cammarota and A. P. Todino, On the correlation between critical points and critical values for random spherical harmonics 41
A. Caponera and C. Durastanti, Parametric estimation for functional autoregressive processes on the sphere 63
A. Das, V. Makogin, and E. Spodarev, Extrapolation of stationary random fields via level sets 85
R. Dhoyer and C. A. Tudor, Non-central limit theorem for the spatial average of the solution to the wave equation with Rosenblatt noise 105
M. Grigoriu, Finite dimensional models for random microstructures 121
S. Muirhead, Boundedness of the nodal domains of additive Gaussian fields ... 143
A. Vidotto, Random Lipschitz–Killing curvatures: Reduction Principles, Integration by Parts and Wiener chaos 157
M. F. Horodnii, Stationary solutions of a second-order differential equation with operator coefficients 177
