

ERRATUM TO "THE INVOLUTIONS ON HOMOTOPY SPHERES
AND THEIR GLUING DIFFEOMORPHISMS"

BY

CHAO-CHU LIANG

On page 374, line 16, a typographical error occurs. The line
the complement of a disk $S^n \times S^n) | M_f$ is the identity matrix}.

should read

the complement of a disk $S^n \times S^n - D_-^n \times S^n - N$ fixed.

Chao-Chu Liang, *The involutions on homotopy spheres and their gluing diffeomorphisms*, Trans. Amer. Math. Soc. 215 (1976), 363–391.
